ROLL OFF TUBS

Effective January 2, 2021, all roll off tubs will be subject to a two-week contract.

Please note: After the 14-day time frame has expired, you will be subject to a \$5.00 charge for each additional day. Contract date will begin the day the tub is delivered to your job site or location. All materials must be contained in the roll off tub – nothing more than two feet above rim of tub and no material hanging over the sides. Please place the heaviest items on top. You must notify Grandinetti's when tub is available for pickup.

A service charge for the roll off tubs will be contingent on the amount of recyclable material collected. This service charge does not include the per day late charge outlined above.

Five tons – no service charge

Four – Five tons - \$50.00

Three – Four tons - \$75.00

Three tons and under - \$100.00

****Any dirt, wood, tires, or foreign debris will be docked at double the estimated weight****

When requesting tub, Grandinetti's will need the following information: Address for roll off tub drop (must be easily accessible for truck), contact name & phone number, name and address (if different) from drop off location for payment.

We appreciate your business!

Thank you.
